VEL JEYANTHI S

Redhill,Chennai

90437 61278 | veljeyanthij@gmailcom

Objective

Dedicated and detail-oriented Network Engineering graduate with a solid foundation in networking principles, seeking an entry-level position to leverage my skills in designing, implementing, and maintaining network infrastructure. Eager to contribute to the growth of the organization while enhancing my technical knowledge.

Education

- **Queen Mary's College**   2025
  B.Sc., Computer Science
  4.1

Skills

- Networking Protocols: TCP/IP, OSPF, EIGRP, BGP, VLANs
- Tools & Technologies: Cisco Packet Tracer, Wireshark, NetFlow, Nagios
- Operating Systems: Windows, Linux (Ubuntu, CentOS)
- Hardware: Routers, Switches, Firewalls
- Additional Skills: Network Troubleshooting, VPN Configuration, Basic Cloud Networking

Projects

- **Network Design and Implementation for Small Office Network**
  Designed and simulated a network infrastructure using Cisco Packet Tracer.

  Configured VLANs, static and dynamic routing protocols, and implemented network security measures.

- **VPN Implementation for Secure Remote Access**
  Developed a virtual private network for a simulated corporate environment.

  Ensured secure data transfer using IPSec and OpenVPN protocols.

Soft Skill

- Strong analytical and problem-solving skills

- Excellent communication and collaboration abilities

- Quick learner with a passion for continuous skill development
